Artist Statement: I am an Indian photographer now based in the UK. I delve into human behaviour and the natural world through my photography. My focus lies in capturing the interplay among individuals, spaces, and the environment, drawing inspiration from his surroundings. Through the lens, I intricately examine the relationships between people and their surroundings, shedding light on the complexities of human life and the beauty of the natural realm.

Skills: Adobe Photoshop, Adobe InDesign, Website Design on Wix Site, Developing film Negatives (35mm), Darkroom Printmaking, Image Post-Processing, Basic Video Editing, Photo Editing, Microsoft Office, Microsoft Excel.
